## NEW YORK RACQUET MEN WIN AND LOSE

Break Even with Quakers in Intercity Matches, While Souter Beats Williams, "Pro" Champion.

[SPECIAL DISPATCH TO THE HERALD.] PHILADELPHIA, Pa., Saturday.—Some splendid racquet matches were witnessed at the Racquet Club today, both in the intercity four-handed amateur matches and in the professional contest between Charles Williams, champion of the world, and "Jack" Souter. In the intercity matches Souter and Williams, who were the first team to win, defeated Walker Thayer and W. H. Tilden, interest was at fever heat over the fast match between J. Gordon Douglas and William Stockpole, composing New York's first team and General H. Brooke and Wilson Potter, who were Philadelphia's leading aggregation. This was a brilliant struggle. In the opening game Mr. Douglas played splendidly. He and his partner got going first, making five aces. The Philadelphia then scored two, but were put out on a particularly fine shot by Mr. Douglas. Each side added another ace, after which the New York pair scored nine, winning by 15-3.

This was the only game the New York experts won, although in the third they almost reached the triumphant mark. But with the score twelve all the Philadelphia ran out. It was in the fifth and last game that Messrs. Douglas and Stockpole were overhauled. They fell so far below the standard of play that they failed to score even a single point.

In the other amateur contest Messrs. Whitney and Barger showed much better form than the Philadelphia opponents. From the start they never were in danger of defeat.

There was great interest in the match between Williams and Souter, but could not do it and win. Souter was in fine form. In behalf of Williams it must be said that he was suffering from a severe cold and could not do himself justice.

### NEW JERSEY SQUASH GAMES

Two matches by default were the only points scored by the Englewood Field Club players against the Englewood Club team in the New Jersey Squash League tournament yesterday. The latter, on their own courts, won all three matches contested and therefore led by 3 to 2. The summaries:

A. H. Lockett, E.C., defeated D. Humphrey, E.C., 15-12, 10-12.

H. D. Gator, E.C., defeated A. Ament, E.C., 15-12, 10-12.

H. Ament, E.C., defeated E. E. Park, E.C., 15-12, 10-12.

D. P. De, E.C., defeated E. E. Park, E.C., 15-12, 10-12.

E. E. Park, E.C., won by default.

### TRIANGULAR ROWING RACE

In an unofficial report on the Columbia University campus yesterday (yaws) announced that a triangular rowing race had been arranged with Pennsylvania and Princeton. The report was confirmed by the athletic authorities, who stated that although the final arrangements had not been signed the race would probably take place on Carnegie Lake early in May.

Athletes of the Morningside Heights University are pleased with the return of Princeton into intercollegiate rowing and regret that they have not entered the annual regatta at Poughkeepsie. Columbia has not rowed with Princeton since the intercollegiate at Saratoga in 1884, and it is expected that the coming triangular contest will be a means of drawing the Tiger crew into the annual intercollegiate regatta.

## Cragin Brothers Lose Indoor Tennis Title

"Cal" and Arthur Drop Seventh Doubles Championship to "Bill" Cragin and W. M. Hall.

When there are any indoor tennis titles at stake at the Seventh Regiment Armory it is usually a safe proposition to count the Cragin family in on a goodly portion of the honors. This has been a recognized fact for some time, but never was it so forcibly brought to the fore as it was yesterday afternoon, in the final match for the regimental doubles championship on the armory floor. The score was 6-3, 6-2, 7-5.

Calhoun and Arthur S. Cragin, winners of the title last year, were defeated, but it was another Cragin, William B., Jr., with Walter Merrill Hall, who turned the trick. It was a hard fought match all the way, despite the fact that the new champions won in three straight sets. Calhoun and Arthur were greatly chagrined at having lost the title they had held jointly for several years.

They did not mind Mr. Hall's end of the victory, but they avow that it will take them some time to get over being defeated by brother "Bill." As they say at the Seventh, a Cragin would rather beat a Cragin than score over William A. Larned.

The doubles championship found fitting holders in Mr. Hall and "Bill" Cragin, the former being placed tenth in the national lawn tennis ranking, and his partner having won the Seventh regiment singles title last week. In addition to many outdoor honors, the pair made a strong, speedy team

and were heartily applauded by a big gallery of women and men enthusiasts, socially prominent.

The Hall-Cragin combination started matters with a rush, taking the opening set by 6-3. "Bill" Cragin's "cannon ball" serve, and Mr. Hall's smashing returns to the back court were very much in evidence. Two games were all the brothers Cragin could get in the second set. The third set, hardest fought of the trio, went to twelve games before Mr. Hall and "Bill" Cragin could carry off the title.
